- The school has been functioning for the last 40 years with the aim of making the lives of the students of the school more and more developing, more and more progressive, and growing in all dimensions, so that the environment of the school premises becomes excellent, everyone's credit is maintained and the student become leaders in every field, along with the children becoming responsible and equipped with new skills. The school has been working systematically for the last 40 years with the aim of making the students shine with the best results in the Board Exams and the pride of the school also increases.
 - In order to strengthen the responsibility of social harmony and environmental protection among the students and to keep the child filled with positive emotions, the school team is doing its best by keeping in mind the ideas of counseling, personal interviews, continuously organizing parent meetings, counseling of parents etc. to create a strong foundation of cordial relations with the society.
 - With the noble motive that the children and teachers achieve good physical and mental health, some knowledge outside the curriculum is also being served by Narayan vidyalay
 - In short, for the all-round development of the students and Teacher new efforts are continuously made by the school to build character, build skills, build value by investing **46000/-** amount of **51** Magazine.
 - Keeping "Student Interests" at the center, the school trust continues to encourage every program and activity conducted by the school. Due to which, an excellent medium is obtained to cultivate innovation, creativity and excellence in education.
 - The school building has been synonymous with education from the trust. Physical facilities include 28 Smart Google TV of 56", 3 Smart TV of 86" in meeting Hall. Computer lab, audio video lab, chemistry, physics, biology lab, internet connection, CCTV Camera etc. Are available for interactive and modern learning experience.
 - The excellent cooperation of the parents is helping to strengthen our hope for better results of the students.
 - The Management of School is Benevolent and Generous and provide support and Encouragement to Students of the nearby Area for which our School's **President Sir Hon. Mr. Jayantibhai D. Panchal** and **Chairmen Hon. Mr. Hemantbhai Prajapati** are working for development of the School. We the School Staff and Students will always be grateful to them.
- We are always Thankful to all Media Partner Channel Narmada, IN Channel, CT Channel, GBN Channel and Print Media for helping us in communicating with the society through various current program which are effective providing great encouragement to the Students.
- On behalf of the Narayan Vidyalaya family, I sincerely thank all the individuals and institutions who have contributed directly or indirectly to all the activities of the student-centered school for the benefit of the students. I express my good wishes that you will continue to receive such cordial cooperation from us in the future as well. It is hoped that this Narayan Dhavani will motivate, energize and provide a new direction to all Students, Parents, and Teachers.
