

## Life Skill Development Project

How do students spend their time in Diwali vacation? How normal people work hard in daily life, business and employment? How to earn? And how to make a living? In order to get real experience of it, every students has to acquire knowledge through experience by helping them in their work at the place of business during vacation. Business-Employment such as blacksmith, tailor, Garage, Clinic, medical store. Parents should help their children to choose this place. The students stayed full time at the place they visit and become aware of it and helps in their work, learning, knowing ; so that the child could understand how to earn money and get a vision of how to build a career in the future. Students of std 6th to 12 had participated in this Project. 93 students from Eng. Med. and 386 from Guj. Med. learnt different life skills.
