## RESPONSES FROM THE GUEST

- **Hon. Hemantbhai Prajapati (Chairman of Narayan vidyalaya, Bharuch) :** Going into a new era , now you are children but about to become young . Cultivate yourself. Next academic year will be good, will think about the new course ahead Choose carefully. The beginning is small and slow but the way forward takes a long and Successful.

- **Hon.Nitinbhai Patel (Incharge.Principal Shree J.P Arts and Science College, Bharuch)**

It is your age that connects with education, its turning point for career. Your result is not final if the situation is against you, don't fail but face it. Develop your skills in which you are best and Find fulfillment in the career you choose. There are many different careers for girls as well. Writing practice is very important. “परिश्रम विना सिद्धि नथी”.

- **L.D. Bhardwaj: (Faculty of Science):**

(भाग मत कर प्रयास , कर प्रयास भाग मत असफलता घेरे जब मार्ग हो अवरूद्ध , भाग मत कर प्रयास , कर प्रयास भाग मत)

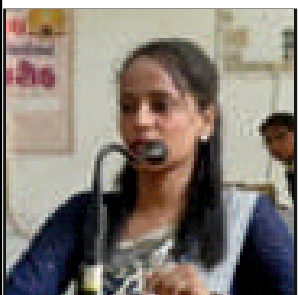

- Always maintain calm and confidence in whatever field you go into. Your Speech, utensils and behavior will seem the least. Always keep it soft .Be spiritual; read the scriptures and whenever you face any difficulty in life, you will get the answers from the scriptures only. Whatever you have become, be courageous, Entrepreneurs and brave.
