**Feedback Letter**  
**Evaluation of one week's Teacher Training Program**  
**(14.3.2022 to 20.3.2022)**

The Chairman,  
Narayan Vidyalaya, Bharuch  
(Run & Managed by Shree Narayan Charitable Trust)  
Bharuch (Gujarat)  
Honorable Sir,  
Respectfully,

**Subject: Evaluation of one week's Teacher Training Program (14.3.2022 to 20.3.2022)**

I acknowledge with thanks and am grateful for the grand hospitality received by the Principal, teachers, staff and students of the fast growing School. I feel that all the members of management are not only polite, humble and soft spoken but also down to earth authentic persons. Here below are my insights and observations about the one week long TD(Teacher Development) program at the school.

- (1) That the principal of the school Dr. B. I.Prajapati (recipient of many international awards including International Gold Star Award along with me) is truly international and visionary educationist as well as dynamic Principal- cum- Administrator. He is very active and effective even being senior aged person. I highly appreciate his dynamic, administrative skills, and sense of punctuality, planning, time management and its observance in action.
- (2) That the school provides environment for developing all round personality and creativity to all students its school. Stage fear is reported to be big personality flaw among the students, but I observed that almost all students as well as teachers are given the chance to participate in \* theateric performance.\*Thanks to Arvind Bhaiji Parmar and Chiman Bhaiji Parmar.
- (3) That it is rarely observed that the students are ready to accept challenges in their lives. But the students of Narayan Vidyalaya, Bharuch are aware and agile enough and have strong zeal to Excel in their lives.My "Best Wishes " to ALL of them.
- (4) That introduction of career in Defence on the line of NCC is a feather in the cap of Narayan Vidyalaya.
- (5) That the teachers and staff is dedicated and absolutely devoted to their profession and have passion for the same.
  - The SWOT analysis of Teachers and Staff was evaluated as good guidance for correction of future course of action.
  - Direction is more important in life than SPEED .
- (6) That the visit to Statue of the world of Sardar Vallabhbhai Patel popularly known as "Statue of Liberty" was the tallest sky scraping informative, pleasurable and is memorable for all times.

**(7) Suggestion:**

Inclusion Of Reference Books on

- Child Psychology, (How children think and react)
- Child Development (Love, affection and discipline)
- Child Care
