

Date: 08/10/2022: Dignitaries reached in GyanSatra

Hon. Mr. Dushyantbhai Patel [Chief Deputy Dandak Shri of Vidhan Sabha and MLA Bharuch]

The one who changed the constitution from chalk means a teacher. Two plus two equal four. And two plus two don't give five. Understanding the truth is a culture. Along with the student's career, his character also matters. A teacher needs to develop the whole life of the child. Spiritually. Culture and other social values also need to be inculcate true values in students and explain it in education also. The country is moving forward in the path of development. Education plays an important role in it.

Hon. Mr. Kartikey Shukal (Managing Trustee of Vishwa Bharti Group of Institute Ahmedabad)

Teaching profession is a holy profession. It is responsibility of every teachers to maintain the dignity of this profession. There are lessons of patience and faith in students are to be taught and learned. Education plays an important role in success and failure with respect to career development of students. A students keeps him with technology but should never give up his books to develop these feeling a person should be connected to his family and society. All students coming to school should be involved with us. Teacher's should not look at the defect of the students but look at the beauty in him. A clock shows us the time. A watch only shows the time and not the Brand. Students will master the language and also learn different languages. The child adapts to learns about different cultures. To guide and encourage students towards competitive exam like IAS, IPS, UPSC, GPSC, and IIM. The success of others should be readily accepted.

He said that there are many opportunities in agriculture and health care in future. Explain life skills and humanity to children. A students always moves not only in comfort but also in discomfort. You should have ability to like something in the market that you can buy it. Thus, he should be presentable in all aspects of his life.

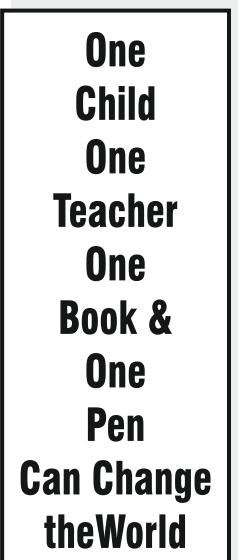

- **Parm Pujniya Swami Shri. Jayramdas Bapu**(Mata Nirmalaym Asharm, Nikora)
